

## Technical specifications Flexi Clean

| Specifications Electrical |        |  |
|---------------------------|--------|--|
| Suply Voltage             | 320Vdc |  |
| Power consumption         | 10mW   |  |
| Trigger Voltage           | 24 Vdc |  |

| Dimensions      |            |           |            |  |  |
|-----------------|------------|-----------|------------|--|--|
| Motor           |            | Head      | Head       |  |  |
| Diameter        | 80mm       | Diameter  | 200mm      |  |  |
| Length          | 200mm      | Thickness | 10mm       |  |  |
| Axle Diameter   | 16mm       | Fingers   | 6 per head |  |  |
| Depth rating    | 1000 Mtr   |           |            |  |  |
| Weight in water | 7 Kg total |           |            |  |  |
